

Quick Application Guide

	POT CORE	MOLDED INDUCTOR	AIR COIL	TRANSFORMER	WIDE BAND CHOKE	SURFACE MOUNTED DEVICE
A/D Converter						
AM/FM Radio						
Analyzers						
Appliances – Home						
Audio Generator						
Auto Electronics						
Band Pass Filter						
Cable TV Receiver						
Color TV						
Communications Systems						
Computer Add-On						
Computer Display (Monitor)						
Data Acquisition						
DC – FC						
FM Stereo Receiver						
Garage Door						
I/O Boards						
Impedance Match Transformer						
Industrial Controls						
Linear/SW Power						
Mag Disk Drive						
Medical Instruments						
Modem						
Monitor						
Oscillators						
Oscilloscopes						
Paging System						
Power						
Printer						
Pulse Generator						
R.F. Power Amplifier						
Signal Generator						
Single Board Computer						
Spectrum Logic						
Switching Power Supply						
Telecommunications Equipment						
Toys						
Transmitter						
Tuned Amplifier						
Uninterrupted Power Supply						
VHF/UHF Repeaters						
Walkie Talkie
